

SNerve

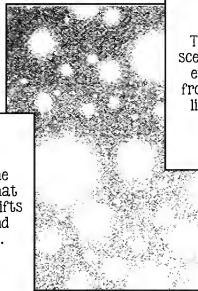

Rosebud

Why?

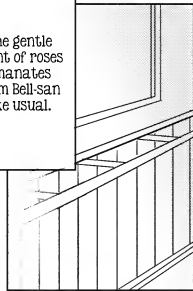

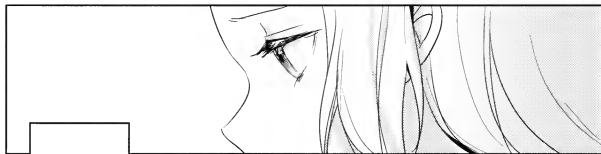

But the
more that
scent drifts
far and
wide...

The gentle
scent of roses
emanates
from Bell-san
like usual.

The
weaker
it seems
to me.

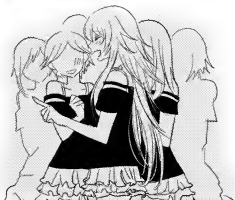

And the
further
away she
feels.

N
e
r
v
e

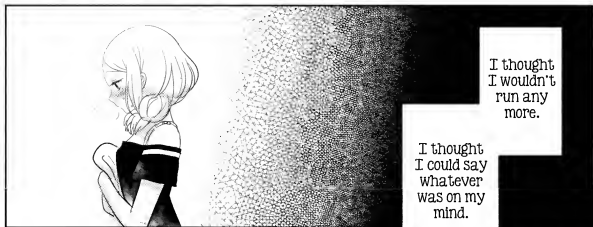

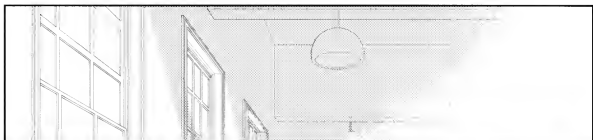

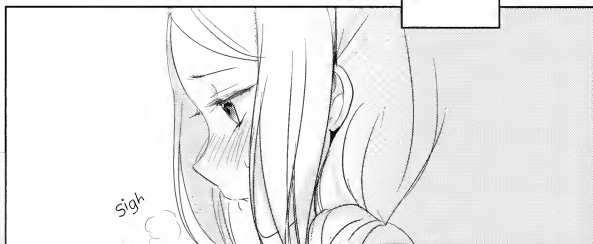

They...
really
are a
handful.

The
both of
them.

I thought
I wouldn't
run any
more.

I thought
I could say
whatever
was on my
mind.

sigh

Even though
I thought
I could be
happy enough
just staying
by her side...

I still...

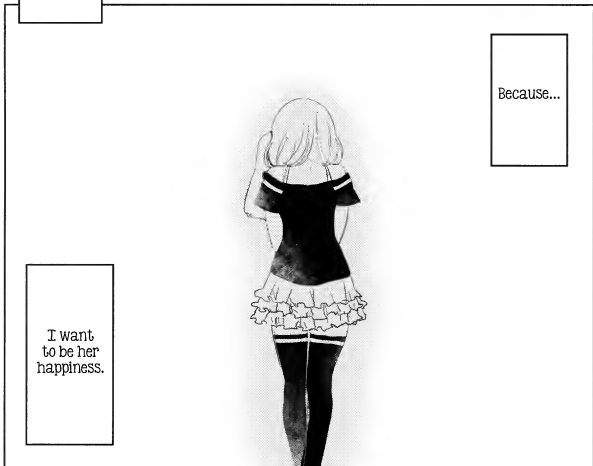

But I can't
even convey
the things I
really want.

Is Bell-san's
happiness
really my
happiness?

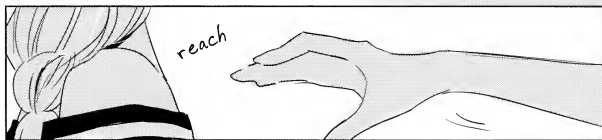

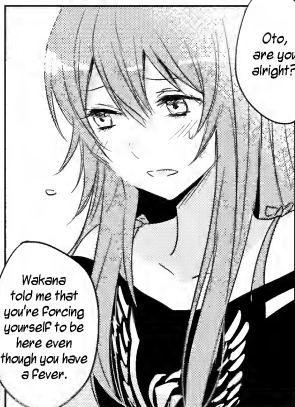

No, that
was just
a lie.

Because...

I want
to be her
happiness.

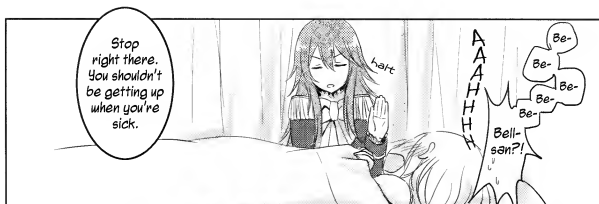

seeing
Bell-san's
face so
suddenly.

I really
couldn't
handle

Are you
awake?

Why...

Why
are you
so nice to
me, Bell-
san?

I'd be
happy,
too, just
because
you were
near.

I wanted
you to
always be
happy.
I convinced
myself that
as long as
you were...

But I
couldn't
do it.

I wished
to keep such
a beautiful
and gently
scented rose
to myself.

I said
that your
happiness
was my
happiness,
but... it
was just
a lie.

And I'd
be happy
just staying
by your
side... that
was a lie,
too.

It's no
longer
enough
just to be
by your
side.

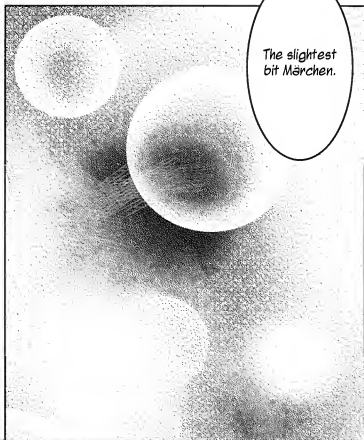

It's not
good enough
unless I'm
the one who
makes you
happy.

This...

This
isn't

I'm
really
greedy,
aren't I.
I'm so
selfish,
right?
I didn't
think
about
your
feelings
at all.

The slightest
bit Märchen.

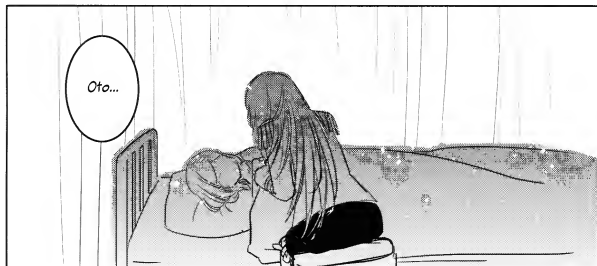

Heh...

You're
right.

It really
is selfish.

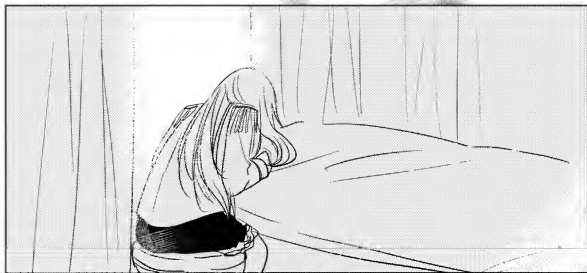

...No, you
didn't-
Eh—

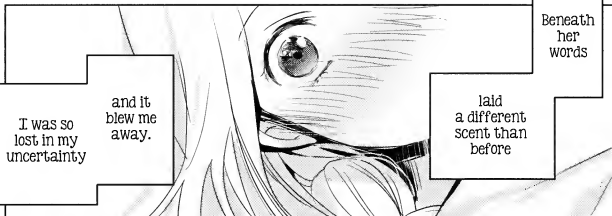

For
making
you
worry so
much.

I'm
sorry

Beneath
her
words

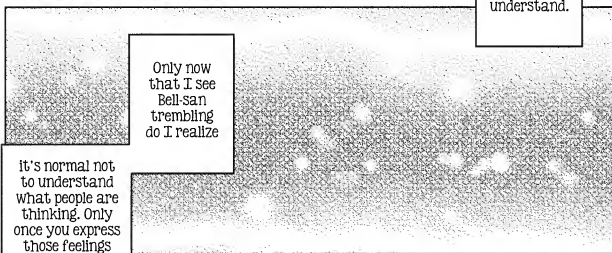

I was so
lost in my
uncertainty

and it
blew me
away.

laid
a different
scent than
before

that my mind
went blank
before I had
a chance to
understand.

Only now
that I see
Bell-san
trembling
do I realize

it's normal not
to understand
what people are
thinking. Only
once you express
those feelings
with words and
actions will they
be able to reach
the other person.

I do,
too.

to stay out of
uncertainty.

So...

and protect
her from
the same.

I will
convey
these
feelings.

Oh,
but...

when
she's
together
with
Otoha-
san.

I only
ever see
her smile
like that

<Afterword>

*It's nice to meet you first-timers.
Welcome back to everyone else.
I am Irua.
Thank you very much for getting my book.*

.....

It's quite embarrassing...

*It's a yuri book. Bell and Oto are total lesbians...
Why did it turn out like this...
It must've been because Bell and Oto are
way too lez with each other in the original.*

*And also... I can't think of anything else...
hahahaha*

I hope I get to draw BellxOto again one day...

*Th-Thank you for reading everything up until this point.
Maybe we'll meet again one day!*
